Mrs. Betten to Head Red Cross Drive in Albany

The appointment of Mrs. Will H. Betten as residential area chairman of Albany in the coming Red Cross Fund drive was announced today by Mrs. Gerald Hagar, Chairman of the residential division of Berkeley Red Cross chapter.

According to Mrs. Hagar the drive will be confined to the residential areas of Berkeley, Albany and Kensington. Mrs. Hagar pointed out that Berkeley Red Cross joined with the United Crusade in conducting a fund campaign in all divisions except the residential areas last fall.

Mrs. Hagar stated further that if a person gave to the United Crusade at his place of employment last fall, either by outright contribution or by payroll deduction, he should have a Crusade sticker in the window and will not be solicited again. If he gave only through the Crusade residential division instead of at work he will not have a sticker, but he will have a receipt which shows that Red Cross was not included.

Mrs. Betten has been working in the Albany Red Cross residential drives for the past five years, and has served as Vice Chairman for the past two years. She is active in P.T.A. work and other community affairs.

Serving with Mrs. Betten will be Mrs. Leslie Spivak as Vice chairman, and Mrs. Eugene M. Blank, Mrs. Ed McConnell, Mrs. D. N. Lyon, Mrs. Francis Meehan, Mrs. George Nesbitt, and Mrs. Peggy Burnette, as Area chairmen.

For the third successive year, Alameda County mothers will march on polio, it was disclosed today by Mrs. George L. Drennon, women's division chairman for the 1953 March of Dimes.

The mothers' campaign will be held Tuesday, February 3, from 7 to 9 p.m.

As in previous years, porchlits will guide the mothers to homes where March of Dimes contributions are waiting to be picked up.

All official Mother Marchers will carry special envelopes identifying them as Alameda County March of Dimes volunteers.

While the women have set no goal for their countywide campaign to boost contributions to aid polio work of the Alameda County Chapter of the National Foundation for Infantile Paralysis, they are hopeful that they can beat last year's record of \$85,000 for the one night drive, Mrs. Drennon said.

Mother's March chairmen for this area include Mrs. A. A. Radder, Albany, and Mrs. Arthur Keyes and Mrs. Allison Sutsman, Berkeley co-chairmen.

PROCLAMATION

WHEREAS the Veterans of Foreign Wars has been in operation since 1899 and has labored unselfishly to justify the purposes for which it was organized, and

WHEREAS during these 53 years the V.F.W. has fought so stubbornly for public acceptance of the same veteran welfare legislative principles which we find today embodied so completely in the so-called G.I. Bill of Rights, and

WHEREAS nation-wide observance of the V.F.W. Week is in order for the purpose of acquainting the American people with the work of the V.F.W. in serving the 19 million living ex-service men and women.

BE IT RESOLVED that I, Jerome Blank, Mayor of the City of Albany proclaim the week of January 25-31 as National V.F.W. Week in honor of our own local Post 2658, which was instituted in the City of Albany August 11, 1932, and I call upon all of the citizens of Albany to acquaint themselves with the work of the V.F.W. and to assist them in their Veterans Welfare work.

JEROME BLANK, Mayor.

Mrs. Zahn Questions CS Action

The Albany City Council Monday night authorized Mayor Jerome Blank to appoint a committee to study legislation for establishing a City Park and Recreation Commission.

Introduced by Councilman Edward E. Combs, the measure was passed 4-0 with Councilwoman Mrs. Kathie Zahn refusing to vote.

The committee, to be composed of Council members, is expected to study a tentative organization plan for the Park and Recreation Commission that would provide for some seven members.

The old Park Planning and Zoning Commission was dissolved following the last April election when voters approved an amendment to the City Charter dividing the commission into the Park and Recreation Commission and the Planning and Zoning Commission.

Mrs. Zahn objected to the action, stating "we do not have sufficient parks at this time to warrant such a commission."

In other action Mrs. Zahn charged that Earl G. Sorensen, chairman of the City Civil Service Commission had "stalled deliberately" in failing to call for examinations to establish an eligibility list of Police Department inspectors.

She pointed out that Police Chief Stanley C. Williams had requested the Commission to conduct examinations last October when the only eligible name on the list was used. At that time Sgt. Vern Freeman was named inspector to replace Robert Turley, who resigned.

Mrs. Zahn then pointed out that Sorensen had called a "secret meeting" of the Commission for Tuesday to review applications.

Sorensen, who was seated in the audience, explained that the review of application blanks is a "confidential matter" and that the Commission must meet behind closed doors when members are reviewing prospective candidates for the Police and Fire Departments.

The Councilwoman answered that "a confidential meeting is permitted when reviewing applications, but that such a meeting is not necessary

Albany SOROPTIMIST News

Guest speaker at Wednesday's Soroptimist luncheon was Dr. Winfield Wickham, native of Oakland, who spoke on "The Responsibility of Parents for the Prevention of Juvenile Delinquency."

Dr. Wickham was well qualified to speak inasmuch as he has been director of the Alameda County Guidance Clinic since 1943, prior to which he worked as Chief Clinical Psychologist for the War Department.

He emphasized that there is actually only 3 per cent juvenile delinquency. He stated that through his research and experience he found that most delinquents are the results of disapproval, lack of affection and constant disparagement in the home; that the best preventative measures were love, approbation and sense of security and that prevention was of far more importance than any treatment devised.

Guests at the luncheon were Bea Nathan and Edith Hiller.

The January 28th luncheon will be at the home of Dorothy Simmons.

Always a Factor
Low prices are important to you, that is, unless you are definitely out of the ordinary. This is why we emphasize time and again that our services cost no more, and that they cost only as much as you wish to pay. More About City Council

Continued from page one
until after February 1—closing date for filing applications.
Mrs. Zahn also charged that Deputy Health Officer Howard Million was attending a class of instruction at the University of California during regular city working hours.
She claimed that Million had no Council authorization to attend classes on city time.
Councilman Lewis Howell was backed by other Councilmen with the explanation that the Council had unofficially authorized Million to attend the class during a special budget meeting last June. He also said that Million still worked a minimum of 40 hours per week in addition to attending school.
In other business, the Council:
1. Approved a request of Albany Community Church to place directional signs at Solano and Stannage Aves. and Marin and San Pablo Aves.

Bruce McGaw and Richard Coleman will receive Eagle Awards, top Scout honor on Thursday, January 29, at the Marin School Auditorium in Albany. Parents and friends will assemble for the Eagle Court which will be conducted by Edwin Pills-

bury, Vice President of the Mt. Diablo Council. Commander William Augros of the Knights of Dunamis assisted by a group of Eagle Scouts will participate in the ceremony. The coveted Eagle Scout ring will be presented to the honored scouts by President Art Smith of the Marin Dads' Club, Troop 42's sponsoring organization.

Scoutmaster Robert Rogers and Assistant Scoutmaster Eugene Hellwig will have a part in the proceedings as will Troop Committee Chairman N. L. Thomas and the parents of the two scouts, Dr. and Mrs. Sidney E. McGaw and Mr. and Mrs. Frank W. Coleman.

McGaw is seventeen years of age and has been in scouting for nine years and a member of Troop 42 for six years. He will graduate from Albany High School at the end of this semester. He will receive a trophy as the outstanding art student of his class. He anticipates a career in art and will enter California School of Arts and Crafts. McGaw has 21 merit badges. In the troop he has held many offices with merit and is presently Junior Assistant Scoutmaster. At high school he has been on the Rally Committee and Basketball squad.

Coleman is a junior at Albany High and is sixteen years of age. He has been in scouting seven years and is Senior Patrol Leader of Troop 42. He also has been active in the Albany H-Y Club.

Both Scouts have completed four merit badges since the fall Court of Honor. The Troop Mothers' Club will officiate at a party for scouts and guests at the close of the Eagle Court.

"I made over a 50% down payment on a late-model car. I was told it would cost me \$287.60 to insure the car and finance the balance of \$700.00. Lucky for me I'd talked to a State Farm agent first, because I used the Bank Plan instead and paid an insurance and financing charge of only \$140.74. I saved \$116.86." (One of many actual cases.)

Many People Assume

THEY ARE NOT!

The Bank Plan offers you two proven money-saving methods. Low-cost financing through a nearby bank and low-cost preferred-risk insurance rates. Get your own figures on the cost of the car you want and COMPARE them with Bank Plan costs FIRST! Call or see your State Farm agent BEFORE you buy.

Brownie Troop 158 Holds Investiture

Becoming the fourth Brownie
troop to be sponsored this year by
the MacGregor PTA, Troop 158
held its investiture ceremony re-
cently, with troop leader Mrs. Rob-
ert Finn in charge, assisted by Mrs.
Edmund Cooper.

Before an audience composed of
100 per cent mothers, with some

fathers and grandmothers, 10 little
Brownies—the youngest of the four
groups—pledged allegiance to the
flag, recited vows, sang the Brownie
"Smile Song," and danced around
the pond chanting the usual words,
after which each girl served re-
freshments to her own relatives.

Among the future plans, accord-
ing to Mrs. Finn, is a trip to the

new Albany library.

Members of the troop are Marion
Cooper, Sally Llewellyn, Kathleen
Finn, Jeanie Mason, Julie Mc-
Knight, Susan Shattuck, Susan
Smith, Carol Stockton, Kathryn
Kerr and Lenore Sorenson.

PFC Thomas J. Stewart, whose
wife, Shirley, lives at 513 Pomona

Irene Dodd, at work in the traffic office at Albany, Oregon, where she assists in
the supervision of some 90 telephone operators.

IRENE DODD—YOUNG LADY GOING PLACES

at a few years, she has advanced
telephone business from student
operator to assistant chief

Just, 1943, Irene Dodd came to work for
Pacific Telephone as an inexperienced student
operator. Since then, she's had several promo-
tions to operator in charge, supervising oper-
ators and recently to her present position as
assistant chief operator. This is a familiar tele-
phone success story. For advancing our tele-
phone men and women as their skill and experi-
ence grows is just one more way we work to
make your telephone service ever more efficient and
valuable to you.

A good place to work

One reason why telephone jobs are good
is the fact that each year thousands of
telephone men and women are promoted
to more responsible positions in the
hundreds of communities we serve locally
in the Pacific West. Their goal: to
keep your telephone service the finest
in the world.

YOUR TELEPHONE IS ONE OF
TODAY'S BEST BARGAINS

Every day is exciting for Mrs. Dodd who,
like many telephone women, has combined mar-
riage and her career. She enjoys keeping house
as much as she enjoys helping people with their
telephone calls. Gratifying, too, is the feeling
that she is helping new people get ahead in the
telephone world. It's all part of telephone tradi-
tion—a tradition of service which insures that
a well-trained force of men and women stands
behind the good telephone service you enjoy
every day.
